Pursuant to Section 7-33-2126, M.C.A., we the undersigned owners of 50% or more of the privately owned land, constituting a majority of the tax paying freeholders within such area according to the last completed assessment roll, request that the Flathead County Commissioners withdraw the territory described in the attached Exhibit A, by this reference incorporated here, from the _____ Fire District, and that said property withdrawn from the _____ Fire District shall become annexed to the _____ Fire District.

We feel that such withdrawal and annexation should be allowed as the property described in the attached Exhibit A, could be served better because of the advantageous proximity and communications with the fire fighting facilities in the _____ Fire District. We cite the following examples of advantageous proximity and communications to support our position:
